

12-4-6 GENERAL PURPOSE TURF, TREE, FLOWER & GARDEN

Guaranteed Analysis

Total Nitrogen (N).....	12.0%
3.0% Water Soluble Nitrogen	
9.0% Water Insoluble Nitrogen	
Available Phosphate (P ₂ O ₅)....	4.0%
Soluble Potash (K ₂ O).....	6.0%
Iron (Fe).....	0.1%

Non-Plant Food Ingredients

Ascophyllum nodosum Seaweed Extract.....	4.0%
Leonardite Humic Acid.....	2.0%
Non-ionic Polyether-Polymethyl- siloxane Wetting Agent.....	2.0%

Primary and Secondary Nutrients are derived from Urea, Soluble Fish Meal, Seaweed Extract, Molasses, Humic Substances

SHAKE WELL BEFORE USING • KEEP OUT OF REACH OF CHILDREN • AVOID FREEZING IF POSSIBLE

GENERAL RATE & USE GUIDELINES

New Bedding Plants: Add 1 fl. oz. concentrate per each 1 gallon water for slow growing plants, 2.0 fl. oz. for faster growing plants. Apply once per week directly to soil as a root drench. Diluted mix can be applied directly over plant, will not harm foliage. Use 12-4-6 full-strength, undiluted when applying via a hose-end-sprayer.

Turfgrasses: *New seedling.* Mix 0.5 fl. oz. of concentrate per 3-5 gallon water per 1,000 sq. ft. and apply weekly. *Established grasses,* mix 5-10 fl. oz. of concentrate per 3-5 gallon water per 1,000 sq. ft. and repeat every 4-8 weeks. Use 12-4-6 full-strength in applications via 'hose-end-sprayer'.

Indoor and Tropical Plants: Mix 0.5 fl. oz. of concentrate per gallon water and apply evenly to soil areas surrounding plants. Repeat application process at every watering event. More mature indoor plants, mix 1.0 to 1.5 fl. oz. per each 1 gallon water and apply as a soil drench.

Trees, Vines and Berries: Add 2.0 to 4.0 fl. oz. of concentrate per each 1 gallon of water and apply to plant as a root drench. Where necessary it can be applied directly over plant, will not harm foliage.

Caution: Keep out of reach of children. May cause irritation of skin and eyes. If spilled on skin, rinse with water. In case of contact with eyes, flush with water for at least 15 minutes.

Conditions of Sale: Manufacturer's and seller's obligation is limited to replacement for the quantity of defective material only. Neither seller or manufacturer shall be liable for any direct or collateral damages arising from the use, or misuse of Bio-Plex Organics products. Buyer assumes all responsibilities other than stated label guarantees. In no event, shall manufacturers liability, or any other recovery, exceed the price of the product which directly, or indirectly causes the alleged damages or personal injury.
